Dear Potential Sponsor:

On behalf of the High Altitude Skating Club (HASC), we are excited to invite you and your organization to become a valued sponsor for our 2026-2027 season.

HASC is a non-profit organization proudly affiliated with U.S. Figure Skating, dedicated to promoting athletic achievement, community connection and the joy of ice skating for skaters of all ages, skill levels and backgrounds.

Throughout the year, we offer weekly coached ice sessions, off-ice training, family friendly events, and our signature competition - the High Altitude Invitational. This event draws nearly 150 skaters, along with their coaches and families, from across the region to Laramie for an exciting weekend of competition and celebration.

Since our founding just four years ago, we've grown to more than 70 members. Over the last year, HASC skaters competed in seven USFS competitions, earning an impressive **36 gold, 50 silver, and 51 bronze medals**. We have previously had skaters represent our club at the internationally recognized Denver Invitational, the Pacific Coast Adult Sectionals, the U.S. Adult Figure Skating Championships and the Excel National Festival and Final.

Your sponsorship directly supports this momentum - helping us provide quality programming, keep costs accessible for families, and continue building a vibrant local skating community. We've included our standard sponsorship tiers and are also more than happy to tailor a package that fits your organization's goals and giving budgets.
