

High Altitude SC Edge Points

Edges are the foundation of all skating skills - they are essential and must be mastered before progressing to more complex elements. **Edge Points** are fundamental to supporting the foundation of High Altitude SC. Each club member that purchases an ice package is responsible for earning Edge Points and can choose how to fulfill these requirements in a way that works best for them. *Multiple skater households must meet higher level skater requirements and half points for additional skaters.*

Requirements by Ice Package & Level	FULL YEAR	SPRING
All-Access Basic	10 - <i>Including bold task</i>	4
All-Access Aspire	15 - <i>Including bold task</i>	6
All-Access USFS	20 - <i>Including bold task</i>	8
Remote AND PreK Basic or Aspire/USFS	5	2

- Members may have family and/or friends volunteer in support of them.
- Members need to earn their Edge Points to ensure consideration eligibility for High Altitude SC annual Awards.
- Members will incur a \$100 fine if they do not meet their requirements.
